

It's going to get a lot deeper ...

**... Especially
if you haven't
offered flood
insurance to
your customers.**

- Harleysville is one of the leaders in the Write-Your-Own Carrier Program. We rank among the top 15 flood insurance providers in the United States.
- We are licensed nationwide.
- We have online Internet processing with free zone determination. Download is available with several different agency management systems.
- We *do not use* voice mail. Our customer service department is available to assist you 12 hours a day (8:00 a.m. to 8:00 p.m. ET) in quoting and preparing your application. In fact, our service representative will get on line with you and shadow the processing procedure.
- Approximately 2,500 independent agents are enrolled in our flood program.
- We do all the work in rolling your book of business.
- We provide underwriting training to meet the needs of your agency.
- We offer very competitive commission—typically 3 points higher than other carriers.
- Our marketing staff has 50+ years of combined experience.
- Our number one goal is to be the easiest flood carrier to do business with.

Did you know...

- Flood insurance can be written for buildings and their contents.
- Flood insurance is available for personal, commercial and condominium properties.
- All properties are in a potential flood zone, and coverage can be written provided the community participates in the National Flood Insurance Program.
- Preferred rates are available to residential and commercial structures located outside the special flood hazard area.
- Visit our Web site at flood.harleysvillegroup.com to view brochures and flyers that are available free of charge to market the preferred and standard flood policies.
