

OthersFirst® Protection Package

StarAdvantage® Series

Part of Harleysville's StarAdvantage® Series of commercial lines products, the OthersFirst® Protection Package adds to the many products and services we are delivering in support of our commitment to help agents grow their core business. This comprehensive, flexible product is geared especially to the needs of the human services industry ... those organizations in your communities that provide a variety of services to persons with special needs including:

- Physical or intellectual disabilities
- The disadvantaged
- Mental and/or behavioral issues
- The elderly (non-residential only)

OthersFirst also serves as an ideal product for day care centers for children with and without special needs.

Ideal Prospects

Non-profit (501c3) and for-profit organizations that offer the following operations:

- Advocacy groups
- Alcohol and drug rehabilitation centers (outpatient and residential), including detoxification
- Battered women shelters
- Community action agencies
- Community/senior centers
- Day cares for children with and *without* special needs
- Early intervention programs
- Emergency shelters/transitional homes
- Food banks
- Group homes
- Head Starts
- Homeless shelters
- Hospice
- Intermediate care centers for persons with physical or intellectual disabilities
- Jewish community centers
- Meals on Wheels Outreach Programs
- Mental health adult residential programs
- Para-transit exposures—rural (in connection with larger account)
- Residential facilities and/or homes for brain-injured clients
- Schools and/or programs for people with hearing loss or vision impairment
- Senior adult day care centers
- Sheltered workshops for the physically or intellectually disabled
- Supported apartments or independent living facilities for people with physical or intellectual disabilities
- Thrift stores
- Vocational rehabilitation
- YMCAs and YWCAs

Out of appetite

- Assisted living facilities for the elderly
- Disaster services
- Foster care
- Home health agencies/Visiting nurses except Hospice
- Low income/affordable housing (Section 8)
- Nursing homes/Skilled care for any segment of the population
- Residential facilities for fire-starters
- Residential Offender programs, including sexual offenders of any sort

Value-added Services

- Discounted pricing on employment background and criminal searches, along with drug testing, through **IntelliCorp®**.
- Free access to the **Driver's Alert™** "How's my driving?" program; preferred pricing for Driver's Alert's employee training library and GPS tracking units.
- Free access to **The Workplace Helpline®**, an industry-leading employment law and human resource information company (with EPL coverage).
- Free access to **Safe-WiseSM** consulting, for help with taking an enterprise approach to risk management with a focus on key exposures, including child abuse prevention and aquatic safety (YMCAs and YWCAs only).

FOR MORE INFORMATION

Through Harleysville's risk services division, your human services customers have access to many more risk management services and resources, such as driver safety training at "member" prices. Contact us today for the details:
